Dr. and Mrs. W. F. Carter and children were the guests of Mr. and Mrs. N. Giles Carter, Harriman, Tenn., from Friday until Monday. Mr. Carter recently moved his family from Tellico Plains, Tenn., where he was cashier of the Tellico Bank and Trust Co., but resigned a few months ago, and has accepted a position as cashier at Harriman at a salary of \$2,000.00.—Mr. and Mrs. H. H. Hutcheson, arrived here Tuesday and are guests of Dr. and Mrs. W. E. Gravelly.—E. S. Albright and Logan Bryant were in town Saturday afternoon. Mr. Bryant, who is agent for the Ford Automobile, was driving his new Ford, and while here he was busy driving over town and had his car well loaded with prospective buyers.—R. H. Hamm, Jacob Elder, A. M. Hiatt and John Robbins attended the Boone Way meeting at Crab Orchard last Friday.—J. M. Cress, the Preachersville stock buyer, was in town last Friday, also the first of the week.—Miss Ella Carson was down from Mt. Vernon from Friday until Monday.—Mrs. R. C. Thompson is quite ill with tuberculosis, and is not expected to live but a short time.—Mr. and Mrs. J. G. Frith have been numbered with the sick for the past few days.—Mrs. J. J. Brock died at her home Sunday afternoon, and her remains were laid to rest in the Copper-Creek burying ground Monday. She had been afflicted with consumption for several months, and her death was no surprise. A few months ago her baby died with the same disease. Besides her husband, she leaves her parents, Mr. and Mrs. W. P. Kincer, a brother and probably a sister to mourn her loss.—W. A. Johnson sold to J. M. Cress, the first of the week, a pair of work cattle for \$180.25.—Prof. J. L. Pilkenton has accepted a position with the Southern Desk Co., of Hickory, N. C., and was calling on the School Boards of Burnside and Danville the first of the week. He will travel most of the time in interest of this company until the next term of Brodhead Graded School.

The base ball game here last Friday between East Bernstadt and the locals resulted in a score of 8 to 7 in favor of the visitors. One of the latest rules of base ball is to allow the Manager, Coach and Owner of the team to umpire the game, and this stunt was pulled off by East Bernstadt team, however the decision was in their favor, and we know they feel proud of it.—Mrs. J. M. Owens, and little daughter, Maggie, were in Lexington from Saturday until Thursday the guests of her daughter, Mrs. Frank Sutton.—Mrs. Mary Albright is having a new coat of paint put on her residence property. Mrs. Albright is getting ready for the great Brodhead fair, and the fair people always expect a place there. She will make extra effort to accommodate a greater number than ever before, and judging from the enquiries we have already for rooms during the fair we are sure no space will be spared that week.—They say times are getting better, but it would be a hard matter to convince Owen Cass that this is correct. Mr. Cass has last no time for the past five years, having been employed as Operator by the L. & N., and Tuesday he received notice that his job had been given to a Mr. Dunsmore, and that he had been placed on the extra list.—Miss Willie Francis, of Mt. Vernon, is with her sister, Mrs. Sylvan Bordes, on account of the serious illness of Mr. and Mrs. Bordes' little daughter.—Miss Mary Proctor was in Mt. Vernon Tuesday between trains, the guest of her brother, S. T. Proctor and family.—Cress Brothers and Allen Hiatt shipped 6000 pounds of wool from here Friday, and will have from 5000 to 8000 pounds to ship in next few days. Mr. Hiatt delivered a car load of hogs to J. M. Cress last week, and will drive a like number to Mr. Cress next week. It seems that the Quail sect on is head quarters for wool and live stock now. Cress and Hiatt also bought from 300 to 500 lambs in that section for June delivery.—Mrs. and Mrs. Allen Hiatt of Quail, were here Wednesday on their way to spend a few days near Mr. Hiatt's old home in the Hiatt section.

COMPROMISE AIDS IN SELECTION OF BOONE WAY ROUTE

Two Loops Run Through Blue
grass From Harrodsburg
to Frankfort.

A MOTION TO POSTPONE

Made By Louisville Delegate Is Lost By
Overwhelming Vote of 30 to 2.

Final settlement of the route of
the Boone Way was made at an
enthusiastic good roads meeting
held at Crab Orchard, Friday, at-
tended by fully 1,000 persons
from all over this section of Ken-
tucky and from as far away as
Louisville. The meeting was in
effect, a continuation of the rout-
ing done at the first meeting of
the Boone Highway Association
held at Mt. Vernon a few weeks
ago, when the route was located as
far as Harrodsburg.

As officially and finally settled
by the meeting Friday the Boone
Way is as follows: Beginning at
Cumberland Gap to Middlesboro,
to Pineville, to Barbourville, to
Corbin, to London, to Mt. Vernon,
to Crab Orchard, to Stanford, to
Lancaster, to Danville, to Harrods-
burg. At Harrodsburg the way
will branch. What will be desig-
nated as the eastern loop will run
from Harrodsburg to Nicholas-
ville, thence to Lexington, thence
to Versailles and Frankfort, the
western loop will go from Har-
rodsburg to Lawrenceburg, thence
to Frankfort, both loops converg-
ing at the State capital, the burial
place of Daniel Boone and his
wife; from Frankfort the route
proceeds over the old State pike
to Shelbyville, thence on to Louis-
ville, the western terminus.

President James Maret, of the
Boone Way Association, called the
meeting to order in the afternoon.
An address of welcome was made
by W. B. Hansford, of Crab Or-
chard, which was responded to by
Emmet Puryear, of Danville. Ed-
gar Albright, of the Mt. Vernon
Signal, was elected chairman of
the general meeting and W. H.
Fish, secretary of the association,
as secretary.

A call of the counties represent-
ed by voting commissioners showed
the following with two votes
each: Jefferson, Shelby, Frank-

lin, Woodford, Fayette, Jessamine,
Anderson, Mercer, Boyle, Garrard,
Lincoln, Rockcastle, Whitley,
Knox and Bell. These commission-
ers then adjourned to the private
assembly room to consider the
official route selection. Shelton
M. Sautley, of Lincoln county,
was chosen chairman of the com-
missioners' meeting, and J. M.
Alverson, of Anderson county,
secretary. A resolution offered
by a member of the Louisville del-
egation that postponement of the
final selection of the Boone Way
route be deferred for a month was
defeated by a vote of 30 to 2.

A resolution by Mr. Alverson
providing for the final official rout-
ing of the Boone Way as set out, was
then carried by a unanimous vote.

Upon motion of N. L. Curry of
Mercer county, the chairman of
commission, and President Maret
were empowered to name a com-
mittee to organize formerly the
Boone Highway Association by the
drawing up of a constitution,
by-laws, etc., to be reported back
at a later meeting. This commit-
tee was named as follows: James
Maret, ex officio chairman; N. L.
Curry, of Mercer; K. S. Alcorn,
of Lincoln; H. V. Bastin, of Gar-
rard; J. M. Alverson, of Anderson,
and R. M. Allen, of Fayette.

WHOOPING COUGH

"About a year ago my three
boys had whooping cough and I
found Chamberlain's Cough rem-
edy the only one that would re-
lieve their coughing and whooping
spells. I continued this treatment
and was surprised to find that it
cured the disease in a very short
time," writes Mrs. Archie Dalrym-
ple, Crooksville, Ohio. For sale
by all dealers.

Boone Highway

We congratulate Mr. James
Maret, of Mt. Vernon, Ky., and
the loyal Boone Way Boosters, on
the success that they have achieved.
When they started the move-
ment for the building of the Boone
Way thru the mountains of Ken-
tucky, by way of Crab Orchard,
Mt. Vernon and Cumberland Gap,
they were laughed at, for the
project did not look reasonable.

Who cared about such a big-
way? Who would travel it?
Where would the money come
from? These and a dozen other
questions were asked and the
Boone Way Boosters had an
answer for every one of them.
They kept up the fight and a few
days ago there came a news dis-
patch from London, Ky., saying
that a road bond issue of \$100,000
had carried in Laurel county and
that this provided for the last link
in the Boone Highway.

It was fine work. We commend
the example of these faithful, op-
timistic, enthusiastic, fighting
Boone Way Boosters to good roads
people everywhere.

When the baby takes too much
food the stomach turns; the result
is indigestion, sourness and vom-
iting. Frequently the bowels are
involved and there is colic pains
and diarrhoea. McGEE'S BABY

disorders of babies. It is pure,

BOND ISSUE ELECTION

The Court of Appeals has affirmed the decision of the lower court on the question of the Bond Issue in Rockcastle for roads.

The friendly suit to test the legality of the election was tried before Judge Kirk, who was special Judge during the last term of court. The bonds will be sold today and it is expected that work of construction will begin within thirty days. Surveyors will begin laying out the routes at once.

This week marks the closing exercises of Langdon Memorial school. Sunday evening was the baccalaureate sermon by Rev. Macmillan at the Presbyterian church. Last evening was the entertainment by the grade pupils; this morning the Kindergarten and this evening will be the close with a program by the Eighth grade pupils. This has been a splendid year for Langdon Memorial and only those who visit the school and come in personal contact, can know or fully appreciate what a great work is being done. The Langdon Memorial stands and is recognized as one of the best schools of its kind in Kentucky and is so pronounced by those engaged in education throughout the state who have visited and inspected the school. The principal, Miss McCord, is specially adapted to the work and under her management the school has steadily grown in strength and prominence and in the future the many friends of Langdon Memorial look for still greater things, and particularly the education of many a bright and deserving girl, who through poverty would otherwise go uneducated, were it not for Langdon Memorial school. In our next issue will appear report of the closing program, some announcement of interest to the public which will be made but which it is impossible to give at this time.

There has been some correspondence going on between some of the younger bloods of Brodhead and Mt. Vernon, which would be better if left off. We are not going into details but a hint to the wise is often sufficient. A reflection on a man's character or responsibility when not justified, no matter what the motive which prompts the act may be, it is a serious matter. We hope this will be last.

Mr. E. P. Melvin of Hartman, Tenn., shipped a handsome two year old youngster to Mt. Vernon this week to be gaited by Roy S. Beasley, who certainly knows how to teach them the steps that make the winners, for he has been "setting" them low these many years. This beautiful young sire is by Fire Chief No. 3694 which has won many sensational saddle ties in the show rings and has proven himself to be a fine get. His colts are showing fine style and beauty this spring and they certainly do bid fair to be of the true Chief type. Mr. C. A. Davis the owner of this great sire is to be commended for bringing Fire Chief into our county.

CHIEF DEPUTY JAILER AIDED

Pat Donahue, of Jefferson County, is Benefitted by Tanlac

Louisville, May 21-15. Pat Donahue, Chief Jailer of this Jefferson county, a man of unquestioned honesty and integrity, is among well known Louisville people who endorse Tanlac, the new medicine that is accomplishing such remarkable results in this city. Mr. Donahue's statement is as follows:

"It gives me great pleasure to recommend Tanlac, as I have found it quite beneficial in my case. I have used the medicine for a general rundown condition of the system."

The demand for Tanlac, the preparation referred to by Mr. Donahue, is now very great in Louisville, and is steadily increasing. In this connection, L. T. Cooper, who is personally directing the introduction of the famous medicine, said:

"I am, indeed, gratified to see such marked enthusiasm, as I now feel justified in my prediction that Tanlac would prove just as successful in Louisville as it has in the larger cities. The system, besides being purified by Tanlac, is toned up and invigorated, as the preparation, aside from assisting the blood, reinvigorates the constitution, overcoming, as it seems quickly do, nervousness, indigestion, nonassimilation of food, headaches, backache, dizziness, kidney complaints, general run down condition of the system, and many other complaints that are so common to thousands in this section.

"Tanlac is especially valuable in catarrhal affection of the mucous membranes, which I consider the foundation of most ailments and diseases. People who are affected with catarrh of the head, throat and stomach are generally in a depressed, with an occasional dull headache, accumulations in the nose and throat, affected memory, and a depressed sense of smell and taste, which finally results in an affected hearing."

Tanlac can now be bought in Mt. Vernon at Chas. C. Davis' drug store and also at the Central Drug Co's store in Livingston or in Brodhead, Ky., at John Robins drug store.

Children Cry FOR FLETCHER'S CASTORIA

WARREN

Jane Kee is born in Pulaski County, Kentucky, April 8th 1832 and lived until maturity with her parents in the community of her birth. She was married to F. L. Warren in September of 1852, who was a Baptist pastor in his native state for over 40 years—serving the churches of Olive, Pittman, Skeggs Creek, Mt. Pleasant and others, always being assisted by the subject of this sketch in the capacity of a Christian wife and help meet.

To this union of holy wedlock were born eleven children, four of whom with husband and father proceeded the wife and mother to their eternal abode. Six of the children survive and mourn their loss. Mrs. Sarah Cress of Mt. Vernon, Ky., Mr. Eliza Cress of Newawa, Kansas. Mrs. Lucy Cress of Bird City, Kansas. Messrs William and Matthew Warren of Osborn, Kansas, and Mrs. Margaret Logsdon of Easton, Kansas. Mrs. Warren enjoyed good health for one of her age, up to about eight weeks ago when she fell and fractured her hip. The injury was aggravated by old age and complications until death claimed her, May 2, 1915, at the home of her son William, at Osborn, Kansas, at the age of 83 years and 24 days.

During her illness she was a patient sufferer, realizing that, "We that are in this tabernacle do groan being burdened; not that we would be unclothed, but clothed upon that mortality might be swallowed up of life."

Five of the children were faithful attendants at the bedside of the mother and did all that human hands could possibly do to alleviate suffering and also accompanied the remains to the cemetery for burial. Funeral services were conducted from the home of William Warren by Rev. Bates of Osborn, Kansas, and the remains were taken to Muscotah, Kansas, for interment where a short service was conducted by Rev. Geo. H. Clark, Jr., of Whiting, Kansas.

It Always Helps

says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give
